CREDIT RECOVERY

If your student failed a class, it needs to be retaken in order to earn the credit necessary to graduate. At Andrada High School we believe credit recovery should be **TIMELY** and **EFFECTIVE**. Students are not able to retake a course in a regular classroom because of overcrowding issues. We use an online program designed to match the standards of the course, and assign “coaches” to add extra support so your student can be successful.

- Each semester credit recovery class costs \$75.00.
- Students on free and reduced lunch can receive a partial scholarship.
- If a student passes a class within the required time, the second class (taken within the same semester) is free. Only one free class per semester is permitted.
- All money is nonrefundable.
- Students will have 10 weeks to complete their courses.
- If the student discovers that he or she needs more time, a three week extension may be granted with the payment of a \$30.00 per class fee.
- Only one extension will be granted.
- Students taking credit recovery classes are placed in Advisor Base classes until the class is completed.
- Money is due at the time of registration. Checks can be made out to Andrada High School and turned in to the Bookstore.
- Classes start every other Tuesday, beginning August 1st
