*Andrada High School*

**will be offering the PSAT for any student who wants to sign up.**

If you are a 9<sup>th</sup>, 10<sup>th</sup> or an 11<sup>th</sup> grader and are college bound, you should strongly consider taking the PSAT on January 26<sup>th</sup> at Andrada High School. The PSAT will be offered on campus during the school day and students who participate will be excused from their classes. Students will be tested in small groups, following the appropriate guidelines established by Pima County Health and CollegeBoard.
