You've made it through the first three years and now you are moving into your final and most important year of high school. It is time for senior pictures! There are a few guidelines when selecting your picture to represent you in the yearbook. Remember, a yearbook is around forever.

- **Format:** Digital Submissions Only
- **Cropping:** Photos will be cropped for you, only head and shoulders will be visible in the Yearbook
- **Layout:** Photos must be in portrait and not landscape format
- Please no hands covering any part of the face
- Selfies will not be accepted
- Avoid submitting a tight cropped photo of face
- Yearbook Photographers will be available to take a senior picture for any student who needs us to, for free.
- Cell Phone Cameras: with the high quality nature of current cell phone cameras, pictures may be taken with one if needed.
- All submissions will be confirmed via email.

Submission Information: Email: [allend@vailschooldistrict.org](mailto:allend@vailschooldistrict.org) in the **Subject** line please put Senior Picture / Students Name. This is very important to help us keep track of who sent pictures in. Please remember we are receiving over 200 pictures.

Remember the deadline date for submitting your Baby and Senior pictures will be January 8, 2021. Senior quotes for the yearbook will be due by Monday, February 1, 2021. If you do not have professional pictures taken, you may still submit a photo that fits the above guidelines. If you do decide to have professional pictures taken, make sure to schedule photo sessions early to ensure pictures are available to submit on time. Please make sure your name and senior picture is included in the email memo line. If your picture does not meet the guidelines, we may not be able to accept it for publication.
